A PARTNERSHIP TO ALLEVIATE HUNGER

Nancy L. Carrington joined the fledgling Connecticut Food Bank in 1984 and was appointed Executive Director in 1989. In 1984, Connecticut Food Bank distributed 1.3 million pounds of food a year to 260 community agencies. Under Nancy's leadership, Connecticut Food Bank grew into the largest centralized source of donated, emergency food in Connecticut — distributing enough food to 650 food-assistance programs to feed more than 250,000 men, women and children a year. In 2008, Connecticut Food Bank distributed more than 16 million pounds of food.
